Pascale Sablan ,

## About the Core77 Design Awards

Recognizing excellence in all areas of design enterprise, the Core77 Design Awards celebrates the richness of the design profession and its practitioners. We present 19 categories of entry, providing designers, researchers and writers a unique opportunity to communicate the intent, rigor and passion behind their efforts. From client work to self-initiated projects and entrepreneurial endeavors, we embrace a wide diversity of enterprise: commercial, cultural, social, environmental and discursive.
